

Golf & Shopping In Tuscany

Tuscany is known for its leather goods and crystal, terra cotta and lace, but few realize that it is also home to Prada, Gucci, Armani, Fendi, and other factory outlets. Outlet shopping is hit and miss. You could luck out big time, you might not find a thing to buy, you might find some thing you'd never thought of. Nothing is certain. Even the staff at the outlet cannot be sure from day to day what stock they will have.

Enjoy a round of golf in a championship golf course than take your time to discover the best boutiques and find the best deal...
